If you answered “**yes**” to one (1) or more of the first four symptoms above, or “**yes**” to two (2) or more of the last seven symptoms above in light gray, please do not go to into work. Self-isolate at home and contact your primary care physician’s office or nearest urgent care facility for direction.

- You should isolate at home for a minimum of 10 days since symptoms first appeared.
- You must also have improvement in symptoms and at least 24 hours since last fever without use of fever-reducing medication.

In the past 14 days, have you:

Had close contact with an individual diagnosed with COVID-19? Yes No

If you answer “**yes**”, please do not go into work (unless exempt or otherwise approved for work with appropriate safety precautions). Self-quarantine at home for 10-14 days since return or exposure. A 14-day quarantine is ideal; however, it is permissible to quarantine for 10 days, and if well, return to work while monitoring for symptoms on days 11-14. The health department will notify you if a full 14-day quarantine is recommended.

For questions, visit hd.ingham.org/coronavirus or contact Ingham County Health Department at (517) 887-4517.
